

## PRAISE & PRAYER

- Through Him then, let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that give thanks to His name. Hebrews 13:15
- Pray for the people and leaders of Ukraine & Russia. Also, lift up our ministry partners in that region of the world as they minister to refugees and are impacted by the conflict.
- Lift up those who are battling illness and fatigue; those who are struggling with family and interpersonal conflicts; those who don't know where to turn. Entreat our Father to have His Spirit enter into these situations in a supernatural way, so that He may be glorified in their testimonies.
- Pray for the following people who are in various stages of cancer treatment: Linda Enyart, Darlene Enzminger, Karen Miller, Rita Finger, Ron Peterson, and Barb Peterson. Petition the Lord to provide healing, nourishment, comfort, peace, guidance, and encouragement. Ask the Holy Spirit how you can help support these individuals.
- Praise God for the lovely weather and promise of spring! Many people have bleak moods with the oppression, sin, and violence that seems to be running rampant in the world. Let us look to His word and His promises expressed through His creation, and be GLAD

We've not had a baptism in a while due to covid restraints. If God has pricked your spirit to consider this, please pray for the motivation to move forward as an act of obedience and a witness to others in our body. What a significant way to declare your devotion to our LORD and your identification with His sacrifice for you. This can be intimidating for some, but we will support you in any way we can, and rest assured, a few moments of self consciousness will be over before you know it! Let us know... ## PRAYER

Do you need it? Do you want to be listed in the bulletin for prayer? Do you want the staff to pray for you? If you answered “yes” to any of these questions, please let us know. We don't read minds, and in our humanness, sometimes things said in passing are forgotten or not passed along to the right person. Hospitals can no longer give out this information, so sometimes people are forgotten. We don't want this to happen to YOU, so please let us know.
