

PRAISE & PRAYER

Heavenly Father, we praise You for sharing Your Deity and also Your Humanity with us through Your Son, Jesus. We glorify You for the redemptive plan You set in motion for all mankind and while we were yet sinners.

Our understanding is like looking through a glass dimly, but You've given us just enough vision to trust in You. Thank you for giving us faith to believe in the work Christ has done in our place.

For those we know who "just don't get it," we pray that You would overwhelm them with a sense of their own inadequacy. Let the Holy Spirit rush into their understanding, so they would receive the gift of grace You have for them. Thank you, God, for being patient and merciful with each one of us. We glorify You for Your loving kindness.

Despite our rebellious ways—the things, activities, and people we put in front of You—Jesus still chose to lay down His life. We lift up His holy, righteous Name, because He is worthy, and we are not.

Let the colors of the season remind us of the blood You shed in our place and the new and everlasting life we have because of Christ. Show us how to share the hope and joy we have be-
